

Cindy Wilmoth Retires After 30 Years of Service Melissa Franklin Is New BHCC Administrator

by Dr. C. Kenny Cooper, President/Treasurer

Baptist Health Care Center (BHCC) in Lenoir City has long enjoyed a reputation for providing excellent care to the residents there. Some who could afford to go anywhere for health care have chosen BHCC because of the care. Yet, others of limited means benefit from the excellent care because BHCC accepts Medicaid patients.

One of the key ingredients to that quality of care over so many years is the leadership of Mrs. Cindy Wilmoth who served there for 30 years—four years in various office responsibilities and the last 26 years as administrator. Under her leadership, annual state surveys have been exemplary, including receiving the federal government's highest Five-Star Rating every year since the rating system was implemented.

She also led in major additions and construction projects including: adding the Assisted Living Center

and the Day Care Center, adding a chapel and office suite, building a new kitchen and pavilion, and most recently adding the development of Williams Ferry Pointe, an independent living community adjacent to BHCC. Such a long tenure is highly unusual for nursing homes. Still more unusual is the fact that Cindy's mother served as administrator prior to her, and her oldest daughter, Christina Myers, is currently the assistant administrator in addition to being the marketing agent for Williams Ferry Pointe.

With such a history of service, it was with both deep regret and profound appreciation that Cindy's retirement was received effective September 14, 2014. We wish her well as she travels with her husband, Ken, and is involved in the lives of her daughters and granddaughters. The impact Cindy made on the ministry of Baptist Health Care Center and Tennessee Baptist Adult Homes is profound.

Newly-elected administrator Melissa Franklin has remarked that she feels blessed to accept a leadership role in a facility with such a good reputation and with a commitment to Christian principles and values.

Melissa brings to her role considerable experience in health care from both the private and corporate nursing home worlds. She has served several facilities in Tennessee, Georgia, North Carolina, and Alabama. Prior to coming to BHCC she was interim administrator at Genesis Healthcare in Rome, Ga.

She has a B.S. from Tennessee Wesleyan College and is a member of Madison Avenue Baptist Church in Maryville.

She had served as interim administrator since Cindy's retirement and prior to her unanimous approval by the Board of Directors to become the administrator of the entire BHCC campus.

We trust that the ministry of BHCC will continue to serve the community well in the name of Christ.

Melissa Franklin
Administrator, BHCC

Cindy Wilmoth, second from right, is honored upon her retirement as administrator of Baptist Health Care Center in Lenoir City. With her, left to right, are Adult Homes board members Patrick Cummins, secretary; Hoyt Wilson, chairman; and Jeff Amonett, vice chairman.

Father's Day Offering Sets New Record

This *UpDate* issue includes the alphabetical list of churches that gave to the 2014 Father's Day Offering. A total of \$330,653.27 was given during the year, which ended October 31. This is a new record of total gifts for a single year.

The Father's Day Offering was launched 13 years ago primarily to assist the group homes for adults with intellectual disabilities. The total received that first year was \$45,000. **By the close of 2014, the cumulative giving for all the years totaled \$2,757,127.**

These group homes have maintained a record of never turning away a prospective resident for financial reasons. The cost of care for one resident for one year is approximately \$25,445. We thank you for making this offering. **A**

RARE Campaign Moves Toward Success

by Jim Highland
Director of Development

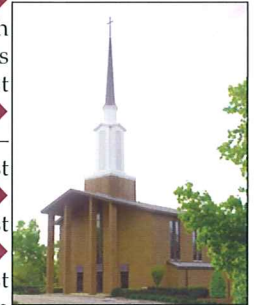

The Renovate A Room Everyone campaign to renovate the residents' rooms at Baptist Health Care Center in Lenoir City is moving toward a successful conclusion. The goal of the campaign is to raise the necessary funds to renovate the rooms of all 104 residents, including new furniture.

The present furnishings have been in the rooms since the facilities were purchased 36 years ago. The cost of the total renovation has been estimated at \$500,000.

Tennessee Baptist Adult Homes is very thankful to everyone involved in the RARE Campaign. There is still a need for funds to complete this needed project. **A**

Thanks to 3N3 Initiative Donors

by Mark Anderson
Director of Disabilities Ministry

The Disabilities Ministry of Tennessee Baptist Adult Homes has been engaged in a three year campaign to raise an additional \$300,000 of new revenue for operating the group homes. The 3N3 Initiative (\$300,000 in 3 years) did not reach its goal, but I wish to express my sincerest thanks to the faithful and generous donors who contributed to it. The 3-year period ended on October 31, 2014 with a grand total of just over \$200,000 raised. Thank you!

Because of the generosity of those who contributed to the 3N3 Initiative, Tennessee Baptist Adult Homes has been able to continue to minister to the men and women of our group homes. Some donors to 3N3 who have given regularly throughout the campaign have elected to continue to send contributions beyond the campaign period.

Again, thank you. Your continued support is greatly needed and greatly appreciated. 

3N3 Initiative recipients. Residents of Rainbow Acres, Jacksboro, benefit from funds donated through the 3N3 Initiative.

Schleifer Retires From Special Friends Camp

After 25 summers of involvement with Special Friends Camp, Joy Schleifer has decided that 2014 was her last year to serve on the staff. For her first 18 summers with SFC she served as Camp Director and provided oversight to the entire camp program.

Seven summers ago, in 2008, she stepped down from her position as Camp Director to assume the position of Nursing Services Director. Her love for camp is evident, unending, and infectious.

When Schleifer stepped down as Camp Director in 2008, it was her intention at that time to step away from Special Friends Camp altogether.

Mark Anderson, Executive Director for SFC said, "There were those who were deeply saddened by the news that Joy was not going to be with camp

Jon and Joy Schleifer

anymore. There were others, however, myself included, who felt we knew better and that she would return to camp. I'm glad we were right and that I've had the 'joy' of working with Joy for these additional summers."

Schleifer will be missed dearly. She is determined that her departure from camp is complete this time.

"There are still those of us who are not so sure," Anderson added. Special Friends Camp owes much to her. Her spirit is woven into the fabric of camp.
