## Father's Day Offering Reaches Goal, New Record Established

### We are thankful for your help

by Dr. C. Kenny Cooper, President/Treasurer

**M**eeting our ambitious Father's Day Offering goal of \$175,000 in this economically depressed year is both amazing and humbling. Each

church and individual represented in the list of donors on the following pages represents an important partner in the good work of caring for senior

adults and developmentally disabled adults. We are indeed grateful for all the hard work and time given by association and church leaders in promoting the ministry of Tennessee Baptist Adult Homes.

Over the nine years we have been privileged to receive the Father's Day Offering, a total of \$1,495,440 has been given to support Tennessee Baptist Adult

Homes—primarily the group home ministry for developmentally disabled adults. The authorization of the Tennessee Baptist Convention to initiate an annual Father's Day Offering statewide among the churches has been one of our greatest blessings.

The cost of providing homes for between 50 and 55 developmentally disabled residents is a bit

more than twice as much as we receive from the residents, their families, and insurance benefits. Some residents have little or no resources to support them. They are dependent on the generosity of those who seek to serve Christ through serving others.

The benefit to these individuals' lives as residents in one of your Tennessee Baptist Adult Homes is due in large part to the Father's Day Offering. You are making a difference through your gifts! In this issue of *UpDate* we want to celebrate all that has been done and give thanks to God for His faithfulness. "Praise God from whom all blessings flow!"

## Why churches give ...

"It is a great privilege to give faithfully to the Tennessee Baptist Adult Homes. Next year we are raising our awareness by giving the Father's Day Offering a full Sunday focus. ... The return on our investment is immeasurable. We have several precious men from Stoneway Acres. Our people love them deeply and our church dynamic would change without them. I only hope that every church could know the joy of having these extraordinary people in their fellowship!"

— *John F. Hunn, Pastor*  
*Immanuel Baptist Church, Lebanon*

"Our church family is grateful for the ministry of Tennessee Adult Homes and we count it a privilege to partner with this ministry through the Father's Day Offering each year. We could never do alone what this offering enables others to do for God's glory. It is a joy to participate in pure and undefiled religion through our resources given to the ministry of the Tennessee Adult Homes."

— *Danny Sinquefield, Pastor*  
*Faith Baptist Church, Bartlett*

"Believing that the 'pure and undefiled religion' described in James 1:27 extends to anyone who is helpless, our church appreciates the work of Tennessee Baptist Adult Homes. Accordingly, the Father's Day Offering is an integral part of our missions giving strategy. We're grateful to have such a valuable partner in ministry."

— *Larry D. Robertson, Senior Pastor*  
*Hilldale Baptist Church, Clarksville*

"Tennessee Baptists are blessed to have this phenomenal ministry in our state convention. The work of Adult Homes cannot be overlooked; it is vital and powerful. Our church believes strongly in the ministry, that is why we financially support the Tennessee Baptist Adult Homes."

— *Chris Davis, Minister of Missions*  
*First Baptist Church, Hendersonville*

"My church and I support Tennessee Baptist Adult Homes because they provide and care for senior adults and adults with developmental disabilities."

— *Donald Owens, Pastor*  
*Dry Creek Baptist Church, Dowelltown*

## How giving helped ...

"God provides! Just when we began to ponder what we were going to do about a reliable maintenance vehicle for this campus' many needs, and with no funds to purchase one with, God paved the way!

After giving a somewhat panicky report to our corporate office at Tennessee Baptist Adult Homes, stating that the last bit of the 'git up and go' had 'got up and went' from our existing maintenance van, within a week we were blessed with a new 'used' vehicle, made possible through the funds of the Father's Day Offering. Miracles happen, people! He knew our needs before we did, and found us exactly what we needed just that quick.

"The Father's Day Offering just so happened to receive \$8,000 more than expected, and wouldn't you know it, our newly acquired vehicle came in at \$7,950. Wow ... if that's not a God provision, what

is? Thanks be to God for daily blessings He bestows through contributions received through the Father's Day Offering.

"Thank you Tennessee Baptists for having such faith and support in our ministry that you answered God's call to give!"

# Ministry Moments ... What It's All About

by Mark Anderson, Director of Disabilities Ministry

**W**hen Richard wanted to relocate from Oregon to east Tennessee in order to remain with the couple that was caring for him, he faced a dilemma. You see, Richard's 48-year-old son, Alan, was living in a developmental disabilities group home near him in Oregon. Richard was able to see Alan regularly. "But, if I move away without Alan," Richard said, "There'll be no one to check on my boy." Thanks to Tennessee Baptists and Rainbow Acres in Jacksboro, Richard and Alan both relocated to east Tennessee where Richard lived the remaining years of his life. Alan continues to be cared for at Rainbow Acres and he is still "checked on" by the couple who cared for Richard.

**S**am had lived all of his life in west Tennessee with his mother and father. He lost his mother several years ago and his father more recently. His aunt and uncle did the best they could to see to it that Sam's needs are met. But, living several miles away from him and growing older, the responsibility of looking after Sam became more and more difficult. When his aunt and uncle contacted TBAH, they were unsure if they were making the right decision to move him to Lebanon. Through conversation, however, it was discovered that the TBAH House Managers in the home Sam would

move into knew Sam and worked with him in west Tennessee years ago. The family felt a real sense of peace about Sam's move after that.

**T**hough Chuck had no living relatives, he did have the benefit of a loving, caring surrogate family that helped him find Rainbow Acres in Knoxville. Chuck had limited resources but had been taught a very strong work ethic. Thanks to Tennessee Baptists, Chuck has a place to call home and he has secured full-time work. He now has a family who love and care for him at Rainbow Acres.

**M**arcy always lived at home. When her parents passed away, her care was entrusted to her aunt. As her aunt found it more and more difficult to continue to care for Marcy, she sought placement for her at Brooks House in Hermitage.

Marcy's aunt had concerns that Marcy's special needs would prove to be more than could be provided at Brooks House, or any other placement, for that matter. Marcy has adjusted quite well and, according to her aunt, demonstrates more social skills and interaction than at any other time in her life. She adds that Marcy is happier than she has ever been.
